RE: NOTICE REGARDING UNS GAS'S 2013 ENERGY EFFICIENCY  
IMPLEMENTATION PLAN – DOCKET NO. G-04204A-11-0149

UNS Gas, Inc. ("UNS Gas"), through undersigned counsel, is providing notice that it will not be filing a separate 2013 energy efficiency implementation plan on June 1, 2012.

On April 4, 2011, UNS Gas filed its 2011 and 2012 Energy Efficiency Implementation Plan ("EE Plan"). On September 6, 2011, UNS Gas filed updated information in support of its EE Plan which included a request for waiver of the Gas Energy Efficiency Standards ("GEES") set forth in A.A.C. R14-2-2504. However, given the potential timing of the approval of the EE Plan, on April 17, 2012, UNS Gas requested that approval of the pending EE Plan also cover 2013.

The proposed EE Plan in this docket has not yet been approved by the Commission. Moreover, UNS Gas has formally requested that approval of the EE Plan in this docket also cover 2013. Therefore, UNS Gas will not be filing a separate, duplicative stand-alone 2013 energy efficiency implementation plan on June 1, 2012 as may otherwise be required under A.A.C. R14-2-2505.A. Moreover, given UNS Gas's April 17, 2012 filing in this docket, UNS Gas believes that it has met requirements under A.A.C. R14-2-2505.A for filing a 2013 implementation plan

Sincerely,

Michael W. Patten
